The **MBE Study Aid** contains 210 questions drawn from previous MBEs, with 30 questions for each of the seven MBE subject areas. Questions are grouped by subject; each group of questions is prefaced by the relevant section of the Subject Matter Outline and followed by an answer key.

MEE Questions and Analyses contain the MEEs given in February or July of specific years and include model analyses that are illustrative of the discussions that might appear in excellent answers to the questions.

MPTs and Point Sheets contain the MPTs given in February or July of specific years and include corresponding Point Sheets. Point Sheets describe the factual and legal points encompassed within the lawyering tasks to be completed in each test and outline the possible issues and points that might be addressed by an examinee.

The **Comprehensive Guide to Bar Admission Requirements** provides annually updated information on bar admission requirements in all U.S. jurisdictions, including a directory of state bar admission agencies. (Also available for viewing at www.ncbex.org.)
